

Directions: Write a two-page paper evaluating this AP course. The paper may be typed or hand-written. The more honest you are, the more helpful the information is to me. The paper should include the following:

- ✓ What did you like best about AP Statistics?
- ✓ What did you like least about AP Statistics?
- ✓ What are some things Mr. Keenan did that were helpful to you throughout the year?
- ✓ Is there anything you would change about this class?
- ✓ Tell me about your experience taking the AP exam.
- ✓ What topic(s) did you feel *most* comfortable with going into the exam?
- ✓ What topic(s) did you feel *least* comfortable with going into the exam?
- ✓ If you could give yourself a 1-5, how do you think you did? (Be honest, I am proud of you no matter what!)
- ✓ Thoughts/suggestions on the 6-hour study session the night before the exam?
- ✓ Over the past year, what lessons stuck out to you as the best/worst?
- ✓ What do you think you got out of AP Statistics that you will take with you as you move forward with schooling? (positive or negative)

I had a wonderful year with all of you and look forward to spending the next 6 weeks in AP Statistics working on our projects. I appreciate and commend your hard work throughout this year and I wish you all the best in the future! ~ Mr Keenan.
